SALTIX 3

Dry vacuum cleaner

The ideal solution for office or hotel cleaning. The SALTIX is mobile, compact and powerful, but quiet. The DualFilter system keeps the exhaust air clean, and vacuum power is easily controlled on the hand tube. The SALTIX 3 is developed to make it easy to use and weighs only 5.6kg.

SALTIX 3

- **Powerful performance**
High performance in a small package with powerful suction and a huge working capacity.
- **Low Noise Level**
The SALTIX 3 can be used in public areas with minimal disruption in the workplace.
- **Easy To Use**
Just plug in and go, excellent mobility and stability prevents tipping with a castor and 2 wheels.
- **Accessory Storage**
Excellent design principles ensure that accessories can be stored on-board in the accessory holder.
- **Large Working Radius**
10 metre cable and 2.5 metre suction hose give large working radius.
- **Long Operation Time**
Large 9 litre filter bag volume for longer working periods between changes. The inner sack is easy to install and clean.

Hard Floor Nozzle	•

WITH OR WITHOUT BAG

The SALTIX 3 is equipped with an efficient sack filter which allows the machine to be used with or without a dust bag. The inner sack should always be fitted to the machine. The sack filters are manufactured from microvel which gives excellent filtration whilst being easy to clean.

CONVENIENT CABLE STORAGE

SALTIX 3 is equipped with manual cord storage which is integrated into the handle and is easy to reach, the cord can then be taken off in one movement without unravelling.

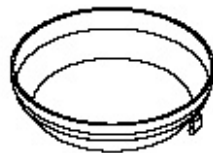

ACCESSORIES

Nozzles

A selection of nozzles are available which will aid the cleaning of upholstery and difficult to reach areas

Outer Sack Filter

Enables use of the machine without a filter bag.

BUMPER PROTECTION

Bumper protects the front wheel from knocks and bumps during operation and whilst travelling up and down stairs.
