ENCORE R38/34

ride-on scrubber-dryer

- **Large capacity solution and recovery tanks**
Large tanks for continuous cleaning, even on a compact machine
- **Self diagnostic operating system**
Show the operator the remaining solution, battery condition, running hours etc, even if service should be needed will it tell exactly what is needed
- **Excellent line of sight**
The operator can easily see all corners of the machine from the driving position therefore cleaning to the wall etc, without causing damage
- **Brush and solution off in neutral**
When the machine stops the solution flow and brush automatically stop, to protect the floor
- **Rugged frame and tanks**
The rugged tanks and the steel frame make the machine very reliable
- **Low battery shut down**
Shuts off the brush motors to protect the batteries, the vacuum and drive motor will still run so the machine can be driven to the charging area

TECHNICAL SPECIFICATIONS

		R38	R34
