# FLOORTEC R360

## Battery and petrol powered ride-on sweepers

### High Productivity

- Powerful vacuum motor and large 3m<sup>2</sup> filter, for continuous dust free sweeping
- Quick and easy filter and broom change without tools
- Driver ergonomics and 360o turning radius - for optimum work flow
- Excellent ramp climbing ability - 16%
- Battery level indicator displays when it is time for recharging

### Long Life - Low Maintenance

- Durable corrosion proof metal frame and polyethylene casing

- Easy access to all components - for quick inspection and maintenance
- Thermal switches protect drive and main broom motor - reduced maintenance costs

### Focus on Safety

- Automatic power shut off when inspecting/changing batteries or brooms
- Low voltage cut-off system protects and prolongs battery life
- Seat switch and additional emergency stop makes the machine very safe
- Wet sweep by-pass for sweeping in wet areas

### Large Capacity

- Extra large hopper capacity
- Over-throw system fills the hopper from above providing extra capacity

### Driver Comfort

- Adjustable seat and steering column to fit the operator
- User friendly control panel - clear and easy to read
- Low noise sweeping - favourable working conditions

### Technical Specifications

Description (unit)	FLOORTEC R360B Battery powered	FLOORTEC R360P Engine Driven
Working Width		
with side broom (mm)	1000	1000
without side broom (mm)	600	600
Side broom diameter	420	420
Sweeping System	Overthrow	Overthrow
Hopper capacity (l)	50	50
Filter area (m <sup>2</sup> )	3	3
Filter material	Paper	Paper
Filter Cleaning System	Electric filter shaker	Electric filter shaker
Power source	Battery 24V	Petrol, Honda 2.2Kw
Dimensions LxWxH (mm)	1255 x 795 x 1115	1255 x 795 x 1115
Weight without battery (kg)	144	202

### Standard Accessories

Side Broom	•	•
Main Broom	•	•
On Board Charger	•	•
Main Filter	•	•

### Adjustable Steering Column

The steering column adjusts to fit the operator and to ensure easy access to the machine

### Accessories

#### Cylindrical Broom

Also available in natural fibre, steel mix or nylon, for sweeping a range of different surfaces.

#### Side Broom

Also available in steel mix, natural fibre, nylon, for sweeping a wide range of different surfaces.

#### Filters

Filter also available in polyester, electronic filter shaker kit also available as an option on petrol version.

#### Lights and Alarms

Option to install reverse alarm, working lights, flashing warning lights.
